

Condominium Home Owners Association of British Columbia

Building Electrification Upgrade Conference

Navigating the changes in legislation that will affect energy use in multi family buildings

Date: Wednesday Oct 11, 2023

Time: 9:30am – 4:00pm

Location: Italian Cultural Centre, Vancouver

AGENDA

9:00am	REGISTRATION OPENS & CONTINENTAL BREAKFAST
9:30am – 10:30am	ZEBx and the City of Vancouver: ZEBx: An overview of upcoming greenhouse gas intensity (GHGi) reporting requirements in the City of Vancouver, planning for building electrification upgrades, and a preview of support programs in development. City of Vancouver: A working outline on the essentials of heat pumps installations for strata units.
10:30am	MORNING BREAK
11:00am – 11:45am	BC Ministry of Energy, Mines and Low Carbon Innovation: Low Carbon Fuel Standard's reporting processes and requirements, and how supplying electricity for EV charging could potentially generate revenue to help offset costs of installing EV charging infrastructure.
11:45am -12:15pm	Jennifer Neville, Hamilton and Company: How a strata corporation will navigate the legislative barriers of the <i>Strata Property Act</i> to address alteration agreements, significant changes in the use or appearance of common property, upgrade requirements, and managing energy capacity.
12:15pm	LUNCH
1:00pm – 2:00pm	BC Hydro: The options available for electrification (all types of strata buildings & EV), the process with Hydro to upgrade or install a new system, Heat Pump and EV charging technologies that are currently available, plus grant programs and funding to support property owners.
2:00pm	AFTERNOON BREAK
2:30pm-3:30pm	Capacity Studies: Fresco Consulting and BC Housing Research, Understanding the energy capacity of your building, conversions and upgrades necessary to permit EV Charging, Heat Pumps and Hot Water Upgrades

Fee: In Person \$60 per person for the entire day (\$57.14 + 2.86 GST)

Online \$15 per person (\$14.29 + \$0.71 GST)
